Permission to use students' image 2012

At Silverdale School we take many photographs and videos to record the wonderful activities the children take part in. These photographs and videos are used in school newsletters, fliers, information booklets, newspapers, on our school web page and for teacher development. We request permission to use your child's image.

Please note if you **do not** give permission please inform your child of this as it helps prevent any upset or disappointment when they are not included in photographs.

Please complete the form below and return to school.

Learner's Name: Room:

I **give** / **do not give** permission for my child's photograph to be used. (circle one)
