Enrolment Information for In Zone Students

Entitlement to Enrol at Silverdale School

Section 11D(1) of the Education Act 1989 provides that, subject to the provisions of that Act, a person who lives in the home zone of a school that has an enrolment scheme (such as Silverdale School) is entitled to enrol at any time at that school.

“Enrolment” occurs when attendance at the school commences and the student is first marked as present on the school roll.

The school may actively collect information and make all enquiries necessary in its opinion to ensure that enrolment details contained in this application are accurate.

Moving out of the Home Zone between pre-enrolment and the commencement of attendance a Silverdale School.

The address given at the time of application for pre-enrolment must be the student's usual place of residence when the School is open for instruction. This means that if you currently live at an in-zone address but move to an out-of-zone address before your child's first day of attendance at the school, your child will not be entitled to enrol at the school and the Board may withdraw any offer of a place made on the basis of the given address.

Enrolment based on false information or temporary residence.

The Ministry of Education has advised that parents should be warned of the possible consequences of attempting to gain enrolment by knowingly giving a false address or false information or by making an in-zone living arrangement which is intended to be only temporary. For example:

- Renting accommodation in-zone on a short term basis;
- Arranging temporary board in-zone with a relative or family friend;
- Using the in-zone address of a relative or friend as an 'address of convenience', with no intention to live there on an on-going basis.

If the School learns that a student was not living at the in-zone address given at the time of pre-enrolment, or the School has reasonable grounds to believe that a temporary in-zone residence has been used for the purpose of gaining enrolment at School the Board may review that enrolment. Unless the parents can provide a satisfactory explanation within 10 days, the Board may annul the enrolment. This course of action is provided for under Sections 11O and 11OA of the Education Act 1989.

Moving out the Home Zone after commencing attendance a Silverdale School.

Because only a student who lives in the home zone is entitled to enrol at Silverdale School and because the Board of Trustees has the statutory power to annul the enrolment in certain circumstances, all changes to the student's usual place of residence when the school is open for instruction must be immediately notified to the School in writing. Where permission is being sought for the student to remain at the School application must be made in writing prior to the move being undertaken. Please note this also applies to all students who were enrolled before the home zone amendment and their siblings e.g. Stillwater / Pinevalley.

Statutory Declaration for In-Zone enrolments.

I, _____ being the parent /guardian
of _____ (name of student) do solemnly declare as follows.

1. That the information contained in this enrolment is true and correct in every respect.
2. Any change to any information provided in this form prior to the student being first marked as present on the School roll will be notified to the School in writing.
3. I confirm that _____ (name of student) is currently living within the home zone of Silverdale School and the residential address which I have provided to the School will be their usual place of residence when the School is open for instruction unless I notify the School otherwise in writing.
4. I understand that students accepted under the in-zone criteria are expected to remain resident in-zone for the duration of their enrolment with the School.
5. A temporary residence within the School's home zone has not been used for the purposes of gaining enrolment at the School.
6. I will advise the School of any change of address. If any change involves a move from in-zone to out of zone I undertake that prior to the move being undertaken I will apply to the Board in writing and with reasons, for permission for the student to continue as a student at the School. Where permission is not given I acknowledge that the Board may review the student's enrolment which may result in that enrolment being annulled.
