21 OCTOBER 2026

Kia ora, Talofa, Malo e leleli, Kia orana, Fakalofa lahi Atu, Taloha Ni, Ni sa bula, 你好, Namaste, 안녕하세요, Hola, Xin chao, السلام عليكم.

Thank You to our Wonderful School Community

Thank you to everyone who came along to support our Country Show Day. Our day wouldn't have been the same without all your contributions and enthusiasm. We deeply appreciate your involvement in making this day special for our school. Whether you baked a cake, volunteered your time, donated items for the stalls, or simply came along to enjoy the day, your contribution made a real difference. Your support helps to create a vibrant and engaging learning environment for our children, and we are incredibly grateful for your involvement in our Country Show Day.

Thanks to all our sponsors and those who gave us donations.

Thank you to our wonderful Silverdale School PTA for your incredible effort in bringing our community together for our Country Show Day. Your hard mahi in organising this event created a special day where we could all connect and celebrate. Our school appreciates the commitment you all have put into our school and our tamariki.

A Night for Melinke

Saturday 24 October, 7PM, Ōrewa Arts & Events Centre

The Ōrewa Arts & Events Centre will host A Night for Melinke on Saturday 24 October, a community fundraising concert supporting 11-year-old Melinke Visser, who is fighting an aggressive and terminal brain cancer.

Local musicians and performers will take the stage in an evening suitable for all ages. "A night to celebrate her life, her courage, the people who love her, and the incredible community standing behind her," say her loving parents, Marizaan and Jaco.

[Tickets](#) are \$15 per person, and whānau can also give through the family's [Givealittle](#) page.

All proceeds go towards covering significant medical expenses associated with travelling overseas to receive specialised CAR-T therapy, currently not offered in New Zealand.

Rubbish

We are noticing an increased amount of gladwrap and food packets being left around school after eating times. We are a zero waste school so all wrappings must go into the children's lunchboxes and be taken home for disposal. You could help your child by minimising the number of wrappers put into their lunchboxes. Boxes with compartments work well and mean that wrappers aren't needed at all.

New Play Area

Starting on Tuesday 27 October we will begin the installation of our new play area. Without the support of our community and the PTA we would not be able to have this play area. The installation will take approximately 3-4 weeks to complete. Below is the design, this is going to be a fantastic addition to the school.

Happy birthday to Livi Petersen, Sophia Millan, Onyx Aldom, Jordy Buchanan, Amelia Furmage, Owen Ma, Sophie Longstaff, Kaysha MacPherson and Allie Zhu.

School Donations

Our school donation is \$200 per child or \$50 a term. This money was used to pay for a large number of additional curriculum resources, subsidise a number of school wide activities such as art, dance and drama resources, sporting functions, developmental material and related photocopying and other essential resources. No child was excluded from using these resources but it does seem that quite a number of families relied on the goodwill of others to support their child.

Each term the School Board puts all the names of those donations that have been made into a draw to give one child the chance to have their fees paid for the following term. The families that have received these in the past have been very grateful. We understand that a donation is voluntary and that it can be at times very difficult to manage. Mrs Reid in the office, is very happy to discuss possible arrangements for meeting this cost for your child. Each small contribution adds up across the course of time and helps to enhance the substance of this school.

A huge thank you to all those families who paid their donation this year.

Not returning in 2027?

If your child/ren are not returning to Silverdale School in 2027 can you please let me know cameronlockie@silverdaleprimary.school.nz.

Year 6 parents you don't need to let me know.

Sun Smart

During term 1 and 4 it's compulsory for children to wear the school hat when outside. There are many reasons why we make wearing hats compulsory, you just need to look at the statistics.

Silverdale School Girls Cricket

What a great performance from our Silverdale girls' cricket team at the Komatsu Girls Cricket Festival that was held last week. The girls had a great day and showed their KERI Values throughout the day. Thank you to everyone who supported the girls.

Thank you from the PTA

A massive big thank you to everyone who came along to the Silverdale School Country Show Day you have all, in very special ways, made the day a huge success!

Thank you again to our amazing sponsors, your support is greatly appreciated and valued!

To the food vendors, market stall holders, entertainment providers. Thank you!

Thank you to all the volunteers who helped and the companies that donated prizes and products to the silent auctions.

Thank you to all the parents who gave up their time to be at the activities and various stalls, we appreciate you all.

Thank you to the School, the Board, the Teachers, PTA and Parents who worked tirelessly behind the scenes to make this day a fun day for all, and a successful event on the school calendar! You all rock!!

Most importantly thank you to the children, parents and community who have supported this event. We value you and your contribution to our amazing school.

KELLY CLUB SILVERDALE UPDATE

What's been happening...

Welcome to Term 4! We entered the Wonderful world of Alice in Wonderland by creating some cool pocket watches, we made some yummy Eat Me treats, crafted beautiful red roses and had some fun with our tea cup relay races. It is so great to see all our regular faces and also welcomed some new Kelly Club friends.

What's happening next week!

Triple P PEAK Moment | Sleep | Information for parents

Sleeping soundly: Helping babies, kids, teens (and parents) sleep well

Are you a new parent or carer wondering how to help your pēpē sleep through the night? Or perhaps how to help your tamaiti or taitamariki happily go to bed each night and wake up refreshed the next morning?

Getting enough sleep is important for babies, kids and teens – not to mention parents and carers – for lots of reasons. Along with eating well and getting plenty of exercise, it's one of the fundamental building blocks to good health and wellbeing.

For new parents and carers, knowing what to do when it comes to sleeping, feeding and settling their baby can be extremely difficult with so much conflicting advice around. And in today's busy world, children and teens seem to be struggling with sleep more than ever. In a worrying sign of the times, sleep problems now affect almost half of children aged 5 to 17, and teenagers are getting less sleep than in previous decades.

New parents and carers can learn how to help their baby, and themselves, get a good night's sleep with gentle routines, responsive settling tips and practical self-care strategies. Bedtime routines can also help children and teens overcome sleep problems and develop the skills they need to sleep well for life.

Read [Triple P's latest articles](#) on sleep to learn more about how to help babies sleep at night and how to help children and teens develop healthy sleep habits.

And don't forget to check out Triple P's online parenting courses, available now in New Zealand!
