Newsletter 25 Term 03

Hello, Tēnā koutou katoa, 你好, Nǐ hǎo

Welcome

Welcome to Christopher Basson, Flavia Nevia, Neo Gibbs and Jiacheng Liu. Our current roll is 770.

Happy Birthday

Happy birthday to Kelly Tang, Raoul Mann, Maggie Young, Aidan Young, Michelle Catterall, Sam Cooper, Tyron Coetzer, Brooke Best, Alexia Thomson and Maia Wait.

Medication

Please make sure if you are sending medication to school with your child, they must give it to the office before school starts. All medication needs to be stored at the office and not in school bags.

Fathers Morning

We will be holding a fathers or significant other male morning at school on Friday 30 August from 9.00am to 10.30am. This is an opportunity for you to come into your child's/children's classroom to see what they do at school. Your child will be able to show you their learning and show you around the classroom. You don't need to book just turn up and enjoy.

Rippa Rugby

Well done to all our teams who competed at the Rippa rugby school day yesterday. Thank you to all our helpers and supporters.

Garden to Table

Our Year 3/4 children are participating in the Garden to Table programme. The Garden to Table programme builds skills for life through highly practical, hands-on classes - not only teaching growing and cooking skills but also building awareness of individual and collective responsibility for the environment, healthy eating and community connectedness. It is an opportunity for our children to get their hands dirty and learn how to grow, harvest, prepare and share fresh, seasonal food.

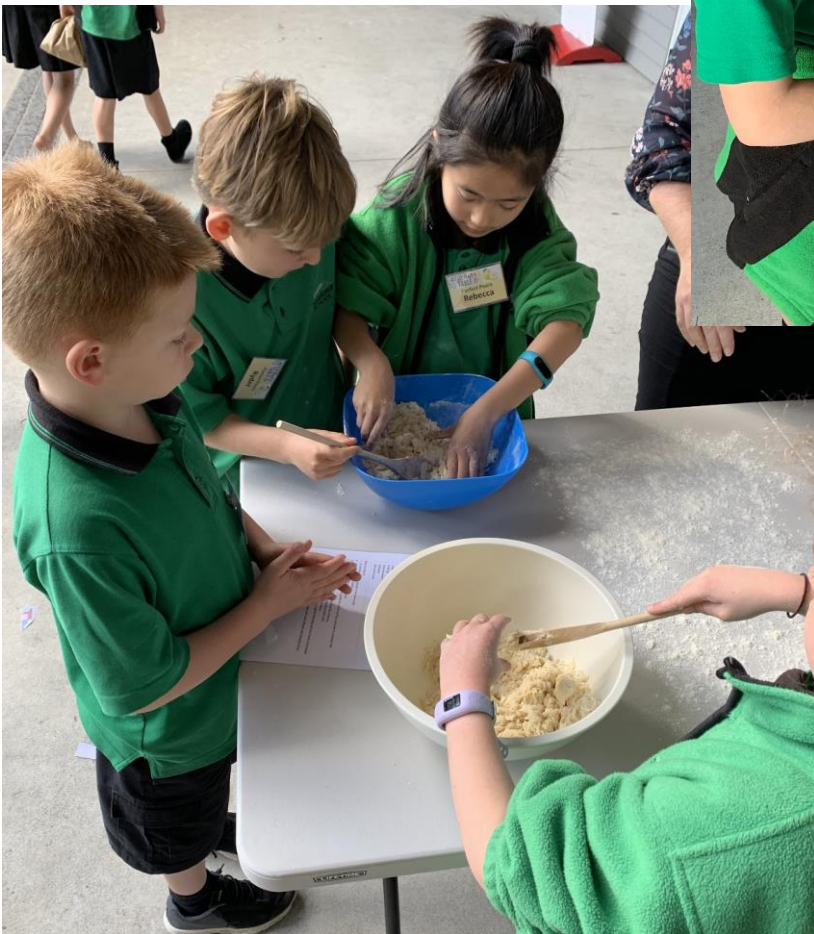

A huge thank you to Dee (garden specialist) and Kelly (kitchen specialist) who work with our children three days a week. Thank you to all our volunteers who help with the programme through the week.

Our next step in the Garden to Table programme is getting chickens. Last Saturday we started building a chicken coop. A big thank you to Lee Gordon for his help in this. Our gardens are looking fantastic thanks to all our Year 3/4 children, teachers and all our volunteers.

Dental Clinic Parking

A reminder to parents that you must not use the dental clinic car park to drop off or pick up children, thanks for your co-operation in this.

School Donation

Our school donation is \$200 per child. This money is used to pay for a large number of additional curriculum resources, subsidise a number of school wide activities such as swimming, production, art, dance and drama resources, sporting functions, developmental material and related photocopying and other essential resources. No child is excluded from using these resources but it does seem that quite a number of families relied on the goodwill of others to support their child.

Each term the BOT puts all the names of those donations that have been made into a draw to give one child the chance to have their fees paid for the following term. The families that have received these in the past have been very grateful. We understand that a donation is voluntary and that it can be at times very difficult to manage. Mrs Reid in the office, is very happy to discuss possible arrangements for meeting this cost for your child. Each small contribution adds up across the course of time and helps to enhance the substance of this school.

Term 2 winner is Ziyee Zhu Room 4

How To Help Your Child at School

As a parent, there are many things you can do at home to help your child have a good school year. These include making sure your child gets enough sleep, getting them to school on time, and reading at home every day. Below are some other tips.

A healthy diet and exercise

Children who eat a healthy diet and get regular exercise can concentrate better during the school day. It is important that your child eats a balanced diet with plenty of fruits and vegetables, and has opportunities to exercise every day through a sports team, fun activity, or playtime outside.

Sleep

Getting enough sleep will help your child get up on time, feel good, and be ready for a full day of learning. Children need different amounts of sleep at different ages.

5-6 Years Old: 10 - 12 hours per day

7-12 Years Old: 10 - 11 hours per day

12-13 Years Old: 9 - 10 hours per day

Getting to school, every day and on time

It will be easier for your child to complete daily learning, home learning, and assessments if they get to school on time every day. Limit the time your child misses for family trips and activities. Contact the school immediately if your child is absent.

Home learning

Help your child set a regular time and place for home learning. Choose a time that works well for your family's schedule. Find a place that is quiet and has good lighting. Make sure your child has supplies such as pens, pencils, paper etc. Ask your child to show you their finished home learning each night so that you can see what they are learning and confirm that they are completing all their home learning.

Limit television, videogame, and computer time

Limit the time your child spends watching TV, playing video games, and using the computer. When possible, do these activities together, and look for educational programs and games. Help your child understand that they should never give out personal information on the computer or talk to strangers online.

Talking about school together

Ask your child to tell you about the school day. Ask them what they have learnt, and how they felt during the day. Listen carefully to their answers, and help them think of ways to solve any problems that they might be having in their schoolwork or in the classroom.

Reading

Set aside time to read with your child each day. You can make reading a part of daily routines by reading stories at bedtime and keeping lots of books and magazines in the house.

Learning at home

Help your child learn at home by sharing activities together, singing, talking, and telling stories. Visit educational places such as museums, the zoo, the park, or a historical monument. Find out what your child's interests are, and look for activities and books that are connected to that interest.

PhotoLife

**Class & Individual
Photographs**

Wednesday 4 September - Team Te Ohanga and Team Kiwi
Thursday 5 September - Team Pukeko and Team Tui

Sibling Photographs

Wednesday 4 September **or** Thursday 5 September.

Please note sibling photos could be taken on either day.

Team/Group Photographs

Wednesday 18 September

Photolife will be coming to school on Wednesday 4 September (Team Te Ohanga & Team Kiwi) and Thursday 5 September (Team Pukeko & Team Tui) to take class, individual photographs for children who are enrolled at Silverdale School.

The school has an Online Ordering System which means that the collection of money and co-ordination of orders for photos is all done by Photolife via the internet with parents accessing, viewing, ordering and paying for their child's photos online. (Every child will have a class and individual photo taken)

Please ensure your child is wearing the correct school uniform.

Sibling Photographs – only siblings attending Silverdale School can have their photo taken. No preschoolers or older children are permitted.

Sibling photographs will require a sibling request photo form which is now available on the school website (Noticeboard – Information & Downloads) or from the office. Photolife are not authorised to take siblings photographs without this signed consent form. Email permission will not be accepted.

The sibling request form must be received by 3.00pm Friday 30 August. Please do not contact Photolife asking for an extension on this time. The date has been set by the school.

After photo day, Photolife checks that the photographs are up to standard and then a Shoot Key slip will be issued and given to each individual student to bring home. (Approx 2-3 weeks after photo day).

As soon as you receive this you can go online, view and order your child's photograph. (A shoot key is a private 8-digit code, when entered into the online website will bring up the students images).

All orders will be sent directly to your specified home delivery address and will incur a \$6.00 postage and packing charge.

Please note: There will be no additional days scheduled for students who are away or unable to have their photo taken on the above days.

Photolife - Sibling Request Form

Please send your sibling request form to the office by the cut time at **3.00pm this Friday, 30 August. Consent forms will not be accepted after this time.**

Photolife are not authorised to take sibling photographs without a signed consent form. This can be found on the school website (Noticeboard- Information & downlands) or from the school office.

Silverdale School is supporting the nation's Daffodil Day on Friday August 30 with a Mufti Day to help raise cancer awareness and funds for cancer research. Children can wear mufti (own clothing) to school and bring a gold coin donation.

Subway Lunch - Friday, 30 Aug.

All orders need to be placed via Kindo before 10am Thursday, 29 Aug.

To place an order please follow the instructions below:

- 1. Log into Kindo via the school website or your EZunch account**
- 2. Click on the Subway tab**
- 3. Choose Friday 30 Aug**

Subway will be delivered to your child's classroom at lunchtime Friday, 30 Aug

WHATS HAPPENING ON COUNTRY SHOW DAY

Our silent auctions are back for 2019!

We have already collected in some great items including 3 night's accommodation in Queenstown, spa vouchers, landscaping vouchers, hampers, kids toys, LEGO and much more.

There is still time for you or someone you know to donate items to the silent auction. This is a great opportunity to support the school. All items will be available online to browse in advance of CSD so it is also a great opportunity to market your business to the local community. Please contact Jay Menzies on 021797713.

Silverdale Sports

Silverdale School Flippa Ball, Sunday August 25th

The Silver Fins played Kingsway this afternoon. We knew pre-game it was going to be a tough match, and we were without Michelle, India, and Jamie, so it was yet another game with no subs. Julian Beall played up front with Conor McCleery, and after gaining possession of the ball, Julian took aim - but annoyingly his attempt at scoring was intercepted by the Goalie on the other team. And to add salt to the wound, straight afterwards Kingsway scored their first goal. Alice Bauld managed to intercept their next couple of goes at scoring, allowing Conor to take his turn, this too without success. Zack Gibbins and Blake Thow both played an outstanding defense, however so did the opposition - and every time we managed to secure the ball it was very difficult to score. The same can't be said about Kingsway, who again managed to slip another one past us. Morgan Lusher put her netball skills into action, executing some very intense attacking and defense. Conor had two more attempts to score just prior to the half time whistle, but our will was no match in comparison with Kingsways forceful and relentless defense. Early in the second half Kingsway scored an 'own goal' which gave the Fins both a glimmer of hope and a bit of a boost in what was a truly fast paced, chaotic match. Yes it was most definitely crazy town in the midfield, where the level of high energy play had gone on to a whole new level. Alissa Hurter pulled some outstanding tricks out of her hat, and was not to be intimidated by Kingsway, playing fearlessly. Extra pressure was put on all our team, especially Alice, to stop Kingsway from scoring a third goal, and although it was a tough ask. We pretty much succeeded... until Kingsway scored again in the final minute. Darn it! This really was a tough game requiring all the Fins to keep going until they had nothing left, and then go some more.... surely highlighting the value of having subs and being subbed off. Our **Player of the Day** today was **Zack Gibbins (pictured)** who played his best game. Nothing managed to get past Zack, he was a pretty tough dude in the water today (quite feisty truth be told) and in the midst of pure chaos, it was his turn to shine. Final Score 3-1 to Kingsway. Well done Zack and well done team Fins for not quitting when the going got tough.
