Newsletter 29 Term 03

**Hello, Tēnā koutou katoa, 你好, Nǐ hǎo**

## Welcome

Welcome to Ju Won Ahn, Clara Olthof and Isaac Olthof. Our current roll is 782.

## Thank you

Thank you to everyone who has helped our school in anyway this term. Your help and support is really appreciated by everyone here at school. We have strong community support for our school and we are very lucky to have this. Don't forget that Country Show Day is on Saturday 2 November and early next term we'll be asking for class volunteers to help supervise Country Show Day stalls. We will be asking for just an hour of your time on Saturday 2 November, so don't forget to sign up for that next term.

## Ms Sheree McLeish Farewell Assembly

You are all invited to Ms Sheree McLeish Farewell Assembly on Friday 1 November at 9am in the school hall.

## Next Term

During term four Rooms 35, 36, 37, 38, 39 and 40 will not be able to be used as they are being refurbished so they are ready to use next year. Unfortunately this will mean that all outside groups that use these rooms will not be able to use these during term 4. As we have no spare classrooms next term we will not be able to offer an alternative classroom for these groups to use during school hours. Beginning Term 1 next year we will be able to offer rooms for outside groups to use during school hours.

## Silverdale School Flippa Ball, Sunday September 22nd.

For our last game of the term the Fins played the Stella Stingrays. At first whistle the Stingrays gained possession of the ball and were off to a strong start. Julian Beall, Morgan Lusher, and Jamie Welch were subs for the first part of the game, and as we knew we were in for a big one, we definitely needed all the subs (breaks) we could get. As to be expected, Stella were very smooth in their execution, throwing well thought out passes up and down the pool, and were also very competent at shooting. Our mid field were put in a situation where they had no let up, fighting the entire match to even get the ball. Stella had some very tall players, and their goalie was just as tall as their strikers were accurate. At first glance they could be quite intimidating, but last match of the term and we were up for it. Noticeably, Alissa Hurter was on high alert from the get go, extremely brave in her attack. India Beven was up front in the first part of the match, and very soon into the match she almost got a Goal in. The ball was fast and furious - hurtling from their Goalie, bypassing us, and going straight up towards their Strikers, forcing the Fins to be all the more determined to get the ball within their reach. For the entirety of the match Blake Thow was full steam ahead in Defense - backwards, forwards, upside down (!) around in circles (!!) I swear it was as confusing as it was entertaining to watch him! Alice Bauld made some stunning saves, which thankfully continued on throughout the match at a steady, albeit fast, pace. Both Blake and Zack Gibbins were of great support to Alice, with Zack not remaining still for one second. There was no time for any down time for anyone. He was wrestling, diving, leaping, punching the ball.... the entire defense team were guarding that goal like their lives depended on it. And with each successful interception the crowd responded accordingly, and it was so encouraging to hear their support. At almost 3 mins in (and by this time as you can probably tell I was already exhausted) Stella scored their first goal. But not too long after that India retaliated with a superb goal of her own (cue everyone cheers) putting us in the game! Morgan, Jamie and Jules were now in the pool, all putting in a huge effort in the hope that we could break the tie with a second goal. Jamie moved up the front, as at different times the Strikers were also subbed off, which they needed to be for this match because it was just so full on. When in the pool, India, Conor McCleery, Michelle Catterall, and Jamie all took turns at trying to score. Alice made a few more saves, but with 3 minutes to go in the first half Stella scored again. And then Stella scored again - and then with just 10 seconds to go they put away another goal, taking the score to 4:1 to the opposition. Aw, come on, Stella! Second half and Michelle and Jamie were now up front. Stella again had a really strong start. Under Coach Duncans guidance, Morgan moved up to the defense end and was kept very busy constantly supporting her teammates in trying to stop Stella scoring. There was some excellent passing from defense through the midfield up to Jamie and Michelle who were desperately trying to score again. But even then the opposition appeared to up the ante, and scored again. And out of nowhere, Michelle scored for the Fins, 5:2. Just when you thought you could take no more, now the tension was seriously building. Stella scored again. The clock was ticking. You could cut the air with knife. Believe me, it was almost as stressful as watching the All Blacks last night!! Then out of the blue Conor scored a fantastic goal, 6:3. And if that wasn't enough, Conor then made a great pass to Michelle and we (she) scored again, what teamwork.... hallelujah Michelle! But our joy was short lived as Stella went on to put one more away just in the nick of time, with seconds to go. Final score 7:4 to Stella, which wasn't bad, as it was very much deserved because they played a great game. Our **Player of the Day** this week was **Alissa Hurter (pictured)** who also played a stunning, if not her best game of the season so far. Alissa was a real stand out this week. She did not stop for one second to catch her breath, she made some amazing passes, used good judgement, and was F I E R C E the entire match. She really did herself proud and it was just awe dropping to watch her in action tonight. WELL DONE Alissa, and to all our team who tried super hard tonight. Bring on next term!
