Getting ready for Country Show Day over the holidays!

It is time for the kids to get their creative juices flowing!

Each year we invite our Silverdale kids to create their own Jolly Jar to be sold on CSD.

They are very popular – normally sold within the first hour of the day! They are a great treat for the kids, or to stash away for that office secret santa.

This is a great school holiday activity. Look at Google or Pinterest for inspiration. Bring your creations into school at the start of next term. We are excited to see this year's batch!

Don't forget your Quick Fire raffle donations

If you are yet to donate items for the quick-fire raffles, there is still time. Please bring in what you can from the list of items, and we can collect any late contributions early next term.

You can still opt to pay a \$25 donation into the PTA account if you prefer: 12-3046-0231780-00.

SPONSOR HIGHLIGHT

At MTF Finance Silverdale we're locals too – so when it comes to financing almost anything, you're talking to local experts.
