Whole-Class Zooms/Ko ngā Zui ā-Tūtahi Akoranga - 9.00 am Zui/Zoom lessons each weekday with Friday's having more of a social and fun focus.

Mini Zooms/Ko ngā Zui Iti - Team Te Ōhanga will trail running **Mini Zooms/Zui**. These will be once a week for 15 minutes and run by either your child's classroom teacher or a teacher aide with who they are familiar with. Teachers will group students each week to best cater for the needs of their own class such as; social interaction, targeting learning goals or for the sharing of work.

Your child's classroom teacher will send out the timetable with grouping for the week ahead. These groups will be set each week and we won't be able to change things around if you can't make it. We would appreciate you keeping this 15 minutes free for your child.

Daily Timetable/Ko te Wātaka - We have moved from a daily timetable to a “**Choice board**”. Each day your child should choose one activity from each subject slide. Your child's classroom teacher may also give you some direction in the morning zoom.

The new Choice Board will continue to be uploaded on a Sunday for the upcoming week. This can be found on our [Distance Learning Website](#) on the [Team Te Ōhanga Page](#).

Team Tūi Term 4 Home Learning/*Ko te Akoranga Kāinga o te Rōpū Tūi*

Whole-Class Zooms/*Ko ngā Zui ā-Tūtahi Akoranga* - 9.30 am Zoom each weekday with a teaching focus. On Fridays we will have more of a social and fun focus.

Daily Timetable/*Ko te Wātaka* - We will continue to use the Distance Learning timetable as it stands. However we have added in tasks at different levels to cater for students needing more challenging or more accessible learning. We have endeavoured to make changes to this doc to make it more user friendly and intuitive.

As well as the distance learning site, Tui teachers share the learning tasks with each child via their Google classroom. This allows students to 'hand in' their learning and for teachers to give feedback to each child about their learning over the week. This helps keep the teachers and students connected and provides further support with learning.
