Saturday 29 October

Watch this space!

Preparations for our 2022 Country Show Day are now in full swing with the big day fast approaching. For those of you that are new to Silverdale School, Country Show Day is the biggest fundraising event in the PTA calendar and is a fabulous family day out. It is THE place to be on Saturday 29 October.

Every year is bigger and better than the last so watch this space. Gils Amusement & Funco will be there with their most popular rides and games for the kids. We will have a range of delicious food trucks such as Hero coffee, Lalele Organic Gelato, Double Dutch Fries and more to be announced. Our local business community have been so generous as usual, and we have already secured some amazing items for the silent auction which will be run from an app again this year.

Donations If you have a business or any contacts that would be keen to donate something in our silent auction we would love to hear from you. There is nothing we won't auction off to raise some funds for our kids!

What can you expect in the coming weeks?

Bringing together such an amazing day requires a huge amount of help and we are extremely grateful to everyone who offers their time. Please keep an eye out on our school app, Parents of Silverdale School Facebook page and school newsletter for calls to help. We have a variety of jobs we need help with and there is something for everyone!

Quick Fire raffle donations

From next week you will be asked to contribute something to help fill up raffle hampers. If you would rather not bring items into school each week you will have the option of depositing a \$25 donation into the PTA account: 12-3046-0231780-00. The list of what we are requesting each week is on the next page. Please remember all items will go into prize hampers so be mindful of expiry dates and only new and unopened items please!

Stall helpers

Closer to the day each class will be allocated a stall or food station to look after on the day. All we ask is one hour of your time if you are coming along.
