This will be my last Silverdale School Board Newsletter; I have been on the Silverdale School Board for just over 14 years. I have seen the school grow from 150 students and 12 classrooms to what it is today, and it has been an absolute pleasure working along side all the people that have been on the Board with me over the years, the staff, the students and the community at Silverdale School.

I would especially like to thank Cameron Lockie our Principal, his vision, professionalism and dedication to our school is amazing, working with him to make our school what it is today makes me very proud to say I have been a part of it all.
