The wait is nearly over. **Our online auction is open for bidding NOW!**

Head to <https://www.32auctions.com/CSD2022> and get yourself registered and start bidding. There is something for everyone whether you want to pamper yourself, tend to your health, treat yourself to dinner, or get that coffee hit. We have bikes, BBQs, flowers, toys, games, and so much more... you name it, we have it!! Christmas is on the way (scary, I know) so think of this as an easy way to do your Christmas shopping!

Final preparations

Jolly Jar: Don't forget to bring in those super cool Jolly Jar creations. We can't wait to see all the super cool designs our little people have produced for us this year. Here are some of the ones posted on our Parents of Silverdale Facebook page recently if you need inspiration.

Stall helpers: Don't forget to lock in a shift on your class stall with your classroom teacher. You only need to contribute one hour of your day to help. This is our biggest fundraising event of the year and we can't do it without you! Lock in your slot ASAP.

We would like to give a special thank you to our sponsors

Who we are and what we do 🎨

We are an Auckland based studio with a focus on Resin & mixed media Art, interior design & gifts.

We hold creative art workshops and functions for people who are completely new to Art and want to try their hand at resin, alcohol inks and much more!

You can also be someone who have tried working with mixed media and looking for a space to create a piece, or want to try a different technique 💖.

We also take orders for interior and custom made pieces!

Let us know if you are planning a function, or just wanted to book a resin or inks session, happy to customize a package for you and your group! 😊 We run workshops pretty much every week, but also have spaces available throughout the week. We also run functions, birthday's and holiday sessions for kids.
