We have a busy term ahead with various events run by our Travelwise Student Leaders.

Back to School Road Safety – keep an eye out for us at the crossing during Week 1 as we remind drivers to watch out for families walking to school.

Wednesday Challenge – Travel car free on Wednesdays and win points for your class! The winning class each week receives the Travelwise Trophy. The winning class for the term will receive a milo morning in Week 11.

Walking School Bus – If you are interested in joining/starting up a Walking School Bus, please contact Alex Franklin – alexfranklin@silverdaleprimary.school.nz.

Stride and Ride Day

On Wednesday 29 April, students at Silverdale School celebrated Stride and Ride Day. This is a day where students try to come car free. Walking, scooting or biking to school is really good for our environment and for our health. Students celebrated on the courts by signing the Travelwise banner and showed their support by wearing mufti shoes. This term we had 284 signatures on our banner! The Travelwise data showed travelling by car was down from 42% to 22%. Ka rawe Silverdale School!

KELLY CLUB SILVERDALE UPDATE

What's been happening...

Bankers about Books was such a fun theme. We made Giant's potion with enormous ears, beautiful sparkly bookmarks and played engaging games like witch tag and balancing books. The kids also loved walking around the school finding all the different colour autumn leaves and using them to make cool book covers!

what makes our **SUSHI** better for children?

Healthier, fresh foods support students' overall wellbeing, improving their concentration, behaviour, and performance at school. Making nutritious choices every day helps build healthy habits for life.

Cooking methods make a big difference! Instead of deep frying, we boil or bake our meats to avoid unnecessary fats.

We limit the use of sugar in our seasonings.

Sushi rice often uses rice vinegar with excessive amounts of sugar.

Sauces contain hidden amounts of fat, salt, and sugar.

Deep fried foods are higher in fat.
