All grandparents/significant adults are invited to their grandchildren's classroom to spend a morning with them.

## Mid-Year Parent-Teacher Interviews

We are transitioning away from our traditional three-way conferences to Parent-Teacher Interviews.

Interviews are happening a bit later than usual this year. This shift allows our teachers to align our discussions with the updated New Zealand Curriculum, ensuring we provide you with the most current and valuable feedback on your child's progress.

These interviews are an opportunity for parents and teachers to engage in open and honest dialogue regarding your child's academic and social progress.

These interviews are for parents and teachers only. Children do not attend these sessions.

Our goals for these meetings are to:

- Discuss evidence of your child's learning and academic growth.
- Reflect on areas where they can improve.
- Collaborate on ways to support your child's learning.

Each Parent-Teacher Interview session lasts for 15 minutes.

- Wednesday 22 July 3.30pm to 6.15pm (School runs as normal)
- Thursday 23 July 12.30pm to 6.15pm. School will close early at 12:00pm on Thursday 23 July so interviews can begin. Please arrange to collect your child at midday on this day.

Please book your 15-minute slot online as soon as possible.

1. Go to [www.schoolinterviews.co.nz](http://www.schoolinterviews.co.nz)

2. Enter the school event code: 87hms

## **Term 2 Finish Date and Term 3 Start Date**

Term 2 will finish at 3.00pm on Friday 3 July.

Term 3 will start on Monday 20 July at 9.00am.

All new children and whānau will have a Pōhiri on Tuesday 21 July at 10.40am.

A pōhiri is a traditional Māori welcome we do for all of our new tamariki and whānau to our school/kura. If you would like to be present for the welcoming process we ask that you meet Matua William outside Te Pae Kārearea, our Māori entranceway. From here, together we will make our way into the hall after being called in by our kaikaranga.

After the pōhiri has concluded in the hall, we would like to invite you for some light refreshments in the staffroom. This is an integral part of the process as it takes us from a state of tapu to noa.

The following is a basic outline of the steps that we follow to welcome new members of Silverdale School.

### **Tomokanga**

The manuhiri (visitors) meet at the front of the marae, outside the entrance in the area referred to as the tomokanga, waiting to be called on. At Silverdale School, this is by Te Pae Kārearea. Usually the women are at the front, flanked by the men. The kaikaranga (female caller) stands at the front.

### **Pūtātara**

The sound of the pūtātara (conch shell) could be heard over long distances, so it is ideal for signalling and for ceremonial purposes. At Silverdale School, the pōhiri begins with the pūtātara sounding three times.

### **Wero**

A wero or challenge is performed by a warrior or warriors, advancing on the manuhiri (visitors) to look them over and establish intent – to decide if they were friend or foe. The warrior lays down a rau (leaf). If the manuhiri (visitors) are intent on friendship, they should pick up the offering. Not taking the offering was seen as a declaration of war.

### **Karanga**

Following the wero, is the karanga. This is the voices of women from both sides, calling to each other to exchange information to further establish the purpose of the visit. It is said that the kaikaranga (callers) between them, weave a mat laid upon Papatuanuku binding the two sides together.

The manuhiri (visitors) move up slowly behind the kaikaranga, until they reach the mahau. The karanga will continue until the manuhiri (visitors) reach the mahau of the Marae. At Silverdale School, this is the doors to the hall.

### **Haka Pōhiri**

The tangata whenua will perform the haka pōhiri, a chant and dance of welcome, during which the manuhiri (visitors) are symbolically drawn onto the marae. The chants often use the symbolism of hauling a waka onto the shore.

### **Seating**

Manuhiri (visitors) move into the Marae and move to the seats allocated to them. At Silverdale School, new students sit at the front left of the hall. New staff members sit on the stage. Traditionally, the men sit in the front and the women at the back. At Silverdale School, we sit in our class groups.

The kaikōrero sit on the paepae at the front of the group of seats on the stage. The kaikōrero hongī on their way to their seats.

## Whaikōrero

Next is the mihi or exchange of greeting by the kaikōrero (speakers) from both sides. During whaikōrero, links between the ancestors and the living are made, and genealogical links between tangata whenua and manuhiri are emphasised.

Each speech is followed by the performance of a waiata by the speaker's support group. The quality of the singing reflects the mana of the speaker and the speaker's support group.

The protocols for whaikōrero are determined by the kawa (practices) of the marae or by the local iwi. At Silverdale School, the speeches and waiata are as follows:

Tangata Whenua Student Speaker #1 (Tu Tira Mai)

Tangata Whenua Student Speaker #2 (Te Pou)

Manuhiri (visitors) Matua Will (on behalf) (Te Aroha)

## Open to All Speakers

The official part of the pōhiri is conducted in Te Reo Māori. Matua Mark will close the official part of the pōhiri and open the floor to all speakers. This is when Mr Lockie will speak, along with new staff to Silverdale School.

At the conclusion of all speakers, Matua Mark will wrap up the pōhiri with the karakia, Unuhia, and as a school we will sing Utaina.

## Hākari

The pōhiri concludes with the hākari - sharing of kai. The food removes the tapu (sacredness) from the manuhiri (visitors), so that the two sides may complete the coming together. As in all cultures, the sharing of food signifies a binding together.
