Red Nose Day Friday 31 July Mufti Day (Dress in Red Day)

On Friday 31 July, we will be taking part in Red Nose Day. This is a wonderful opportunity for our school community to show manaakitanga (care and generosity) for a vital cause that supports sick children and their families across Aotearoa.

Students are to come to school in mufti, with a focus on wearing as much red as possible.

We ask that students bring a gold coin donation on the day. All funds raised will go directly to Cure Kids to support medical research.

Car Parking

There is no parent parking on the school site, an option during drop off and pick up is to park away from the school and walk to school, a great way of building you and your child's fitness and help reduce the carbon footprint at the same time.

The drop off zone that borders the sloping bank will be a 'manned' stop, drop and go area from 8.30am to 8.55am and again from 3.00pm to 3.15pm. In the morning our staff will greet your vehicle and, if necessary, escort your child/ren to their class. This means you will be able to stop, drop and go in a minimum of time. You do not need to get out of your car. In the afternoon your children will wait for you on the bank to be retrieved. The teacher on duty will pop your child in your vehicle and you can quickly depart. You do not need to get out of your car.

Our mobility car parks are in operation in both car parks, so please ensure that these are used only for the purpose they were designed. Unless you have a mobility card and the card holder is in the car then the spaces must be kept clear.

A couple of reminders:

1. Both car parks are for staff cars only, please do not park in any of the carparks.
2. No parking in the stop, drop and go area until after 2.45pm.
3. At stop, drop and go please do not get out of your car.

Dental Clinic Parking

A reminder to parents that you must not use the dental clinic car park to drop off or pick up children, thanks for your cooperation in this.

School Donations

Our school donation is \$200 per child or \$50 per term. This money was used to pay for a large number of additional curriculum resources, subsidise a number of school wide activities such as swimming, production, art, dance and drama resources, sporting functions, developmental material and related photocopying and other essential resources. No child was excluded from using these resources but it does seem that quite a number of families relied on the goodwill of others to support their child.

Each term the BOT puts all the names of those donations that have been made into a draw to give one child the chance to have their fees paid for the following term. The families that have received these in the past have been very grateful. We understand that a donation is voluntary and that it can be at times very difficult to manage. Mrs Reid in the office, is very happy to discuss possible arrangements for meeting this cost for your child. Each small contribution adds up across the course of time and helps to enhance the substance of this school.

Travelwise News

Congratulations to Room 18 – our winners of the Term 2 Wednesday Challenge. The students enjoyed a milo morning treat in the staffroom as their reward.

A special shout out to Room 32/34, our Travelwise Leaders. Thank you for collecting the Wednesday Challenge data each week for coming car free as much as possible.

Walking School Bus

Our Walking School Bus students have been so dedicated to walking to school, even as the weather gets cooler. Each term our WSB students receive a treat as a thank you for all their efforts – the students enjoyed a hot milo as they arrived at school.

New to Kindo: Autopay

Staying on top of school payments just got a whole lot easier.

Did you know you can set up your Kindo account so it gets topped up automatically?

Kindo's latest feature, Autopay, works with automatic payments to help you stay on top of school payment requests.

How it works:

You set your preferences (types of payments you want covered, wallet reserve etc)
Kindo emails you 48 hours before a payment run (so you can review or make changes)
Kindo pays the request automatically

Less hassle, fewer "wait, did I pay that?" moments, and more peace of mind for busy families.
