What is Country Show Day?

Country Show Day is our school's largest fundraising event of the year. This day is a highlight for many of our children and the community. Last year this event raised \$40,000, this money goes directly to the children of our school.

In previous years the money raised has been used for:

- Purchasing new kapa haka uniforms
- Purchasing 200 Chromebooks
- Building the Year 3/4 playground
- Purchasing iPads
- Purchasing learning resources
- Purchasing play equipment

This year the fundraising focus is for building a passive play area at the front of the school. A passive play area is a calm, low-energy space for relaxation, quiet social interaction, reading, or reflective activities, away from high-activity sports or running games that happen on the field.

The installation of our new passive play ground will start in November. This area will be a great addition to our school. Without the help of our community and the PTA we would not be able to fund such a beautiful area.

Ways to Help

Each week we ask families to bring in items to school so we can make raffle hampers to raffle on Country Show Day. Next week we are asking families to bring in Tins, any tins of food. Send them to school with your child and the PTA will collect them from the classrooms. Each week there is a different item to bring into school.
